PROFESSIONAL SUMMARY

- Student (Part-Time) in Bachelor of Engineering (Electrical and Electronics Engineering) at UWA.
- Experience in leadership roles and customer service.
- Passionate about embedded systems and electronics design.
- Learn very quick, very independent in completing tasks and self-learning.
- Detail-oriented individual with exceptional communication and project management skills.
- Proven ability to handle multiple tasks effectively and efficiently in fast-paced environments.
- Bilingual in English and Spanish.

WORK HISTORY

Logistics Coordinator | **IKEA** · Perth, WA

02/2024 – Current

- Tracked orders and notified customers of status or potential delays.
- Trained new co-workers on logistics procedures, stating the importance of physical activity and time efficiency.
- Collaborated with different departments such as customer service teams to address client concerns and fixed escalated orders when necessary.
- Team coordination, break management and shift supervision.

Airport Security Screener | **Sydney Airport (Certis)** · Sydney, NSW

02/2023 – 12/2023

- Operated both domestic and international cabin baggage 2D and 3D X-RAY machines.
- Conducted vehicle, frisk, physical, and baggage searches; walkthrough metal detection & body scanner.
- Performed explosive trace detection and hand-held metal detection.
- Given specific roles including training new crew, machine calibrations, airport closing supervision and registering confiscated items.

Team Leader | **Guzman Y Gomez** · Rouse Hill, NSW

12/2021 – 02/2023

- Ensured the shift ran smoothly and supervised that procedures were followed correctly.
- Co-worker break management and customer complaints handling.
- Till (cash) counting at the end of the shift.
- Had to know all procedures in all positions in the store: cook, sales, stock, every item on the menu, how the system works, and more.
- Main new staff trainer.

Crew Member | **Guzman Y Gomez** · Parramatta, NSW

06/2020 – 01/2021

- Placed in different roles including customer service, preparing orders for delivery, serving, cook, and restaurant closing.
- Very versatile — also did openings, completing stock counting and food prep for the shift.
- Given the duty to train new crew members regularly.

EDUCATION

Bachelor of Engineering (Honours) — Electrical & Electronics Engineering

University of Western Australia · Perth, WA

Expected 2029 | CURRENT

Bachelor of Engineering Science (1.5 Years) — Civil Engineering

Western Sydney University · Sydney, NSW

Diploma of Engineering

Western Sydney University · Sydney, NSW

Graduated 01/2022 | GPA: 6.429 / 7.0

AWARDS

Dean's Merit List — Diploma of Engineering 2021 | *Western Sydney University · 28 July 2022*

Awarded for achieving outstanding academic results.

TECHNICAL SKILLS

Software: KiCad PCB Design · EasyEDA PCB Design · Fusion 360 PCB Design · Fusion 360 3D Modelling

Hardware: ESP32 · Arduino · VHDL (Beginner) · Embedded Firmware

GENERAL SKILLS & CERTIFICATIONS

Skills: Leadership & Management · Problem-solving & Time Management · Decision-making · Logistics Analysis · Customer Service · Trainer · Fluent English & Spanish · Electrical Circuits & Electronics (Hobby)

Certifications:

- Full Driver Licence
- Diploma of Engineering
- CERT II Transport & Security Protection
- X-ray Operator: A-Tix & C-Tix
- Working With Children Check

Udemy Courses:

- Fusion 360 Beginners Course
- Complete PCB Design — EasyEDA
- Fusion 360 Circuit Design and PCB Manufacturing
